

Application for Non-Public Water Well Construction Permit

as authorized by

The Iowa Department of Natural Resources

All well in Iowa must be constructed by an Iowa DNR Certified Well Contractor or the property owner.

<p>A Private Water Well Construction Permit cannot be issued for a well that will provide water for 15 or more service connections or serve 25 or more people per day, 60 or more days per year regardless if the well will be privately or publicly owned.</p> <p>Examples of facilities that CANNOT be permitted are constructed by this application are: towns, subdivisions, churches, recreational facilities, business parks, bars, taverns, or adult entertainment establishments, food preparation/restaurants, theaters, and day care centers.</p> <p>Any proposed well owner(s) who seek to have a water supply well constructed for any of the above categories must call the Water Supply Engineering Department of the Iowa Department of Natural Resources for consultation. Please call 515.725.0282 for more information.</p>	<p>FOR OFFICIAL USE ONLY</p> <p>0376-542-W300-0597</p>
