

PUBLIC MEETING

Survey of Transportation Development and Related Historic Resources in Muscatine County

Monday June 12, 2023 at 6:30 PM

*Muscatine County Environmental Learning Center
3300 Cedar Street Muscatine, IA 52761*

The Muscatine County Historic Preservation Commission is launching a project to research the development of transportation and document related historic resources in Muscatine County. Various themes related to transportation in Muscatine County are being researched for this project, including rivers, ferry crossings, stagecoach routes and stops, railroads, roads, bridges, tourist camps, and businesses related to automobile and tourist services. The project includes identifying existing resources related to these transportation themes as well as historic photographs for resources that have been demolished. This meeting will provide an introduction for the project and an opportunity gather information from residents regarding past and current historic resources related to transportation in Muscatine County. Any interested resident is encouraged to attend on June 12 at 6:30 p.m.

The activity that is the subject of this project has been financed in part with Federal funds from the National Park Service, U.S. Department of the Interior. The views and conclusions contained in this document are those of the authors and should not be interpreted as representing the opinions or policies of the U.S. Government.
